MBIA Builder of the year 2023

LUKE CHAMBERS Chambers Custom Design

At the last MBIA Board meeting of 2023 new Board members were initiated for 2024. New Board members are James Hogue, Edgell Building; Mike Nichols, N2Construction; and Ryan Frey, Saddle Mountain Construction. In picture at left, President Matt Cavanaugh was re-elected and sworn in as President.

Wisdom from Matt

MBIA President

As we come to the end of 2023, we are pleased about our year of growth and rebuilding, our board and members have been working hard to promote the association and grow our membership. Our outgoing board members have played a vital process. Personal thanks to Sheila Callahan from Mountain FM, and Paul Forsting from IMEG. We are glad you will still be close!

We are thrilled to continue and increase our momentum into the upcoming year as we welcome three new members to our Board, and we invite you to join us on this journey as we explore new opportunities and build strong connections within the industry.

Our association is dedicated to providing you with the tools and resources you need to succeed, whether you are an established professional or just starting out in the field.

Happy Holidays from Myself and the entire board here at the Missoula Building Industry Association.

Matt Cavanaugh,
President MBIA

Dear Valued Members,

Madeline Heitzman,
Executive Officer MBIA

info@buildmissoula.com • 406-540-3598 (text or call)

Hard to believe I've already been here a year. Now I have no excuse for missing anything. But please, let me know if you need something from me. The coffee is always on. My job is to help you to be more successful!

Big on our agenda is our new chance to give back to our community by helping a local non profit. **The Parenting Place** was selected by the board because of their specific needs to our community. Their overall mission is **preventing child abuse in our community** through education, and they work with all other agencies to make it as successful as possible. Their building is in sad repair. Email me for a copy of the letter from their board explaining what the building inspection says.

They need help. We can help them on **Saturday Jan 20** as We **"Bet on Missoula's Builders Charity Bash"** and raise money to help with **building improvements**. There are opportunities for you to give directly to them during our event so that you have the non-profit tax advantage.

It's a full evening of silent and live auction, dancing to the Levitators, bidding on the **Parade of mini stick structures** built by 4 Missoula Builders, and beating the gloom of January.

Don't miss this opportunity to show Missoula that the MBIA takes our responsibility to give back to our community seriously. Go to our website to register now, and if you would like to offer a silent or live auction item, please call me.

February brings us to **Edgell Building on Tuesday February 13 from 5 to 7pm** as we **OPEN THE DOOR**. In addition we are discussing **Open the Door** events with Drew at **Western Montana Lighting**, and John Freer at **Missoula College Trades**. Call me if you want to have us visit your place for a networking opportunity.

The **Home & Remodel Expo** is scheduled for **March 9 and 10** at the **Fairgrounds**. **Members only** register for the Expo starting **Tuesday December 26** through the **10th of January**, when we will open it up to all takers.
